Small Businesses Are Dying in Oakland

- Slow days = no money
- High rent
- No clear data
- Owners feel lost
- Safety concerns reduce foot traffic

SODARO

Real Voices from Business Owners

- “Some days no customers at all”
- “Rent is too high”
- “I don’t know when it will be busy”
- “Marketing doesn’t work”

Why This Is Important

- Businesses closing
- Empty streets
- Less community
- Less jobs

Sodaro = Smart Support System

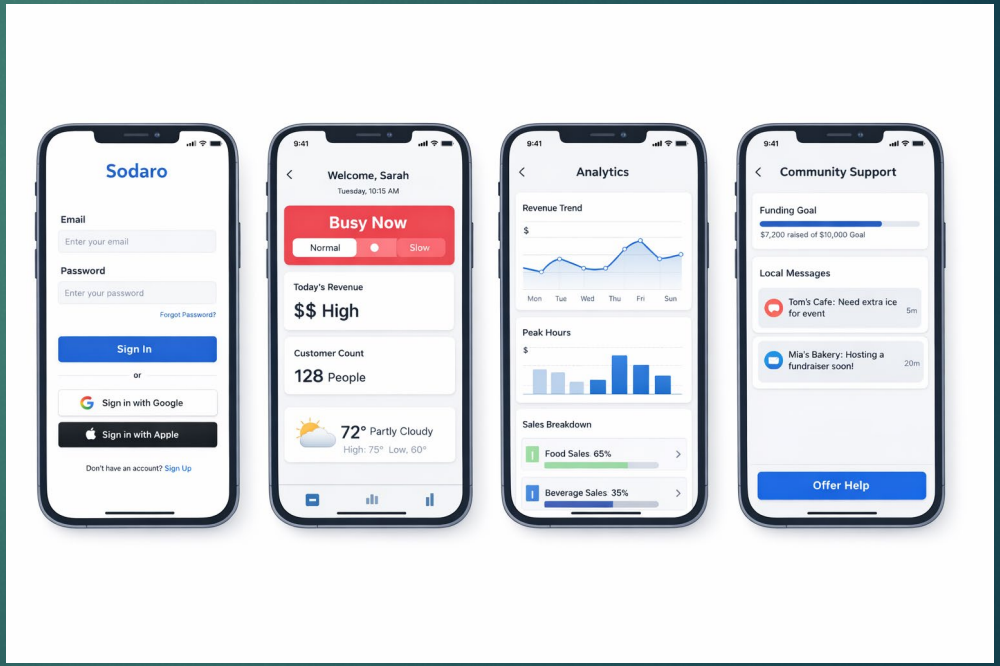

- Shows busy / slow times
- Gives simple suggestions
- Connects community
- Helps businesses survive

How Sodaro Works

- Data → Insight → Action
- Construction → slow day
- Event → busy day
- AI suggestions

Live App Demo

- Dashboard (slow / normal / busy)
- Suggestions screen
- Community support
- Figma prototype

Not Just Business — Community

- People support local shops
- Rotation system
- Shared growth

What's Next

- Build real app
- Test with Oakland businesses
